This year has finally come to a standstill and we have finally come to the end. I certainly enjoyed your senior farewell speech in the auditorium the other day. Just one thing I want to ask you — did you mean what all you said? I sure am going to miss seeing you in the halls next year. Why don't you come back next year & take a post graduate course — ha! you have been one of my best pals and I sure do hate to give you up but you know what's how it goes. I want to be one of the many that wishes you the best of luck ever. With your personality you won't have any trouble.

Jarkie, it seems like now we will have to part, but maybe we will be seeing each other every once in awhile. I have practically went to school with you every since we started. I have had some good times with you. Remember the little jokes you, Mary Beth, made and we used to tell each other over in the corner of the auditorium. (Gnome, fun) I think you are a very swell person to know and you are a lot of fun. I will always remember you as one of my best classmates. Best of luck to a swell and sweet girl!

DALE DODSON—150 pound Tiger center, who was outstanding lineman in the Paris game, is one of the best defense men in the Tiger line this year. Dale has played football three years and is a senior this year. He will be missed from the Tiger lineup next year.

EUGENE GOLDEN—155 pound quarterback, did very well calling plays this season. He excelled in broken field running. Eugene will return next year.

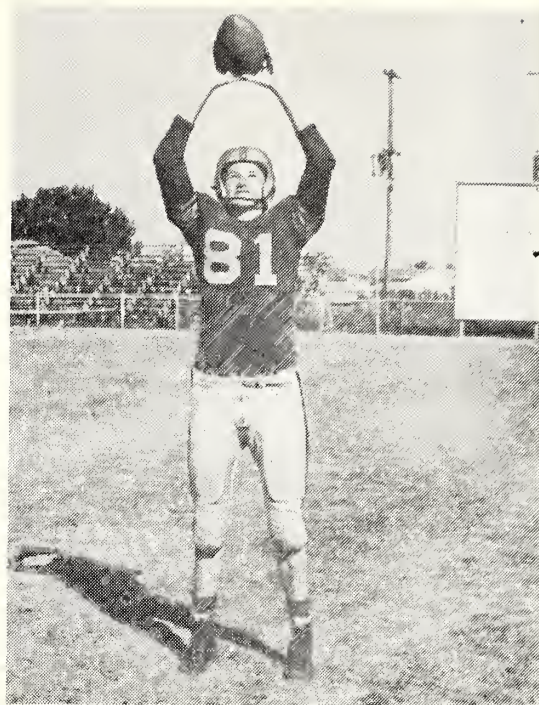

CURTIS "Rip" SMITH—160 pounder, is a valuable asset to the Tiger backfield. His kicking and running are the most outstanding. Curtis will be missed from the squad next year.

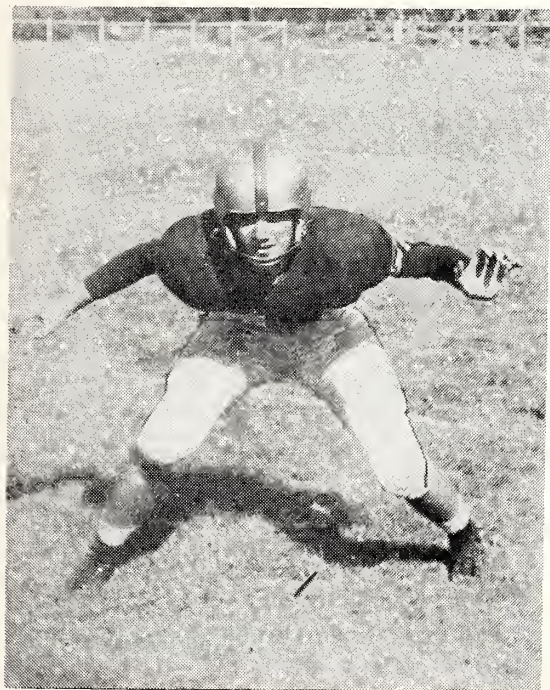

FLOYD GEE—225 pound Tiger tackle, who made way many times for the Tiger backs' runs. He is a freshman and you can expect to see him in next year's lineup.

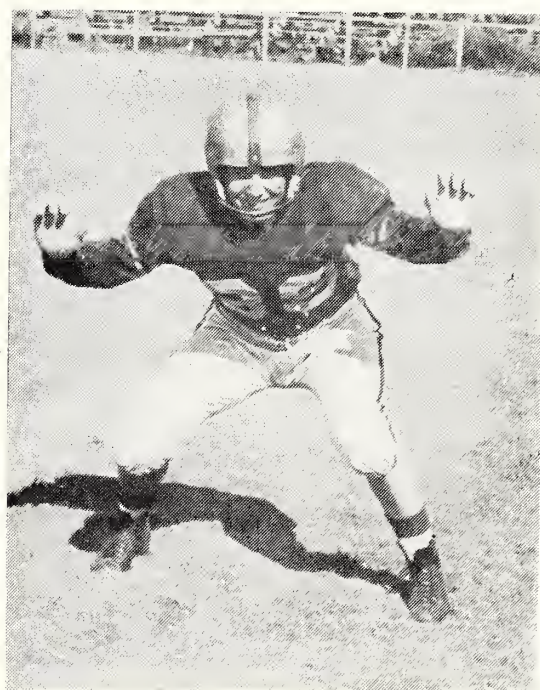

CURTIS MAHANAY--Tiger tackle, weighs 175 pounds and is a very good lineman. Curtis excels mostly in his tackles of the opposing teams' backs. He is always in there fighting and will return next year.

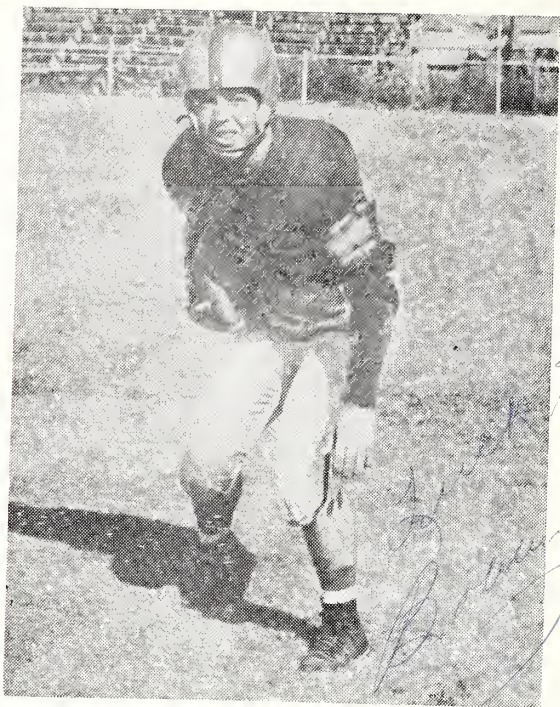

MONTY GIVENS--Tall, lanky, 155 pound Tiger end, has been a great asset to the Tigers this season with his snaring of passes. Monty is a junior and will return for the '49 squad.

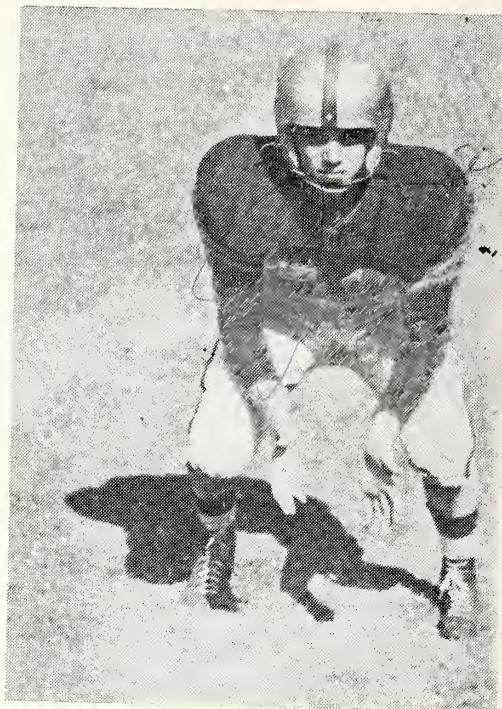

PHILIP BURCH--140 pound guard, is in every game heart and soul and was chosen outstanding linesman in three games. Phil is a senior and will be absent from the squad next year.

J. W. HILLEY--140 pound guard, although small and light, has played excellent ball in all games. He is a sophomore this year and will return with the '49 squad.

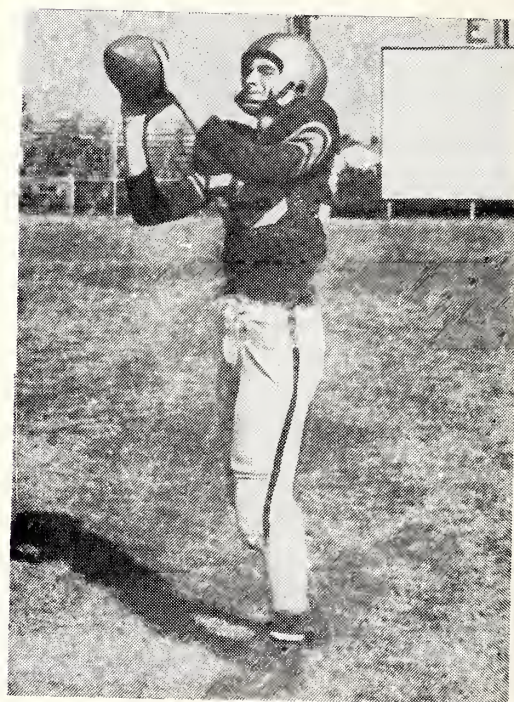

BOBBY CARTER—160 pound allround player, is a senior this year and will not return next year. Bob has played end, tackle, guard, and back this year and has done well in all.

JACKIE CRAIG 125 pound Tiger hack, who was one of the smallest men on the Tiger team, is a fast runner and excellent ground gainer. This is Jackie's last year.

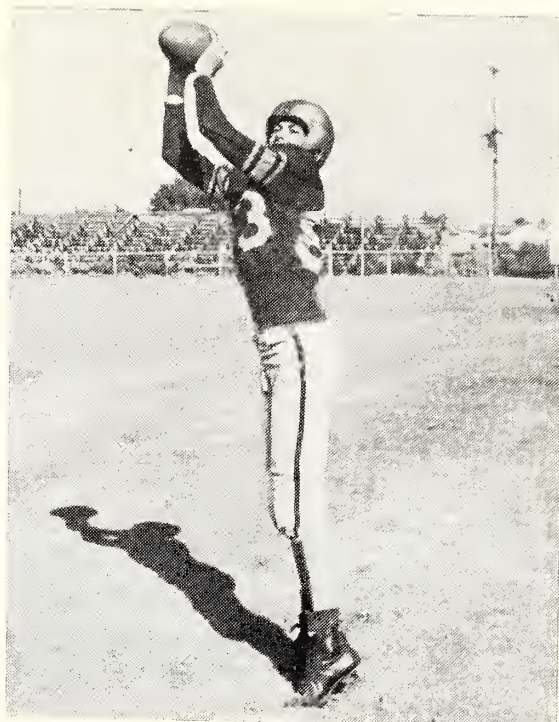

DELBERT PIERCE 130 pound wingback has been an outstanding passer all this season. "Smoky" will be a great help to the Tigers next season.

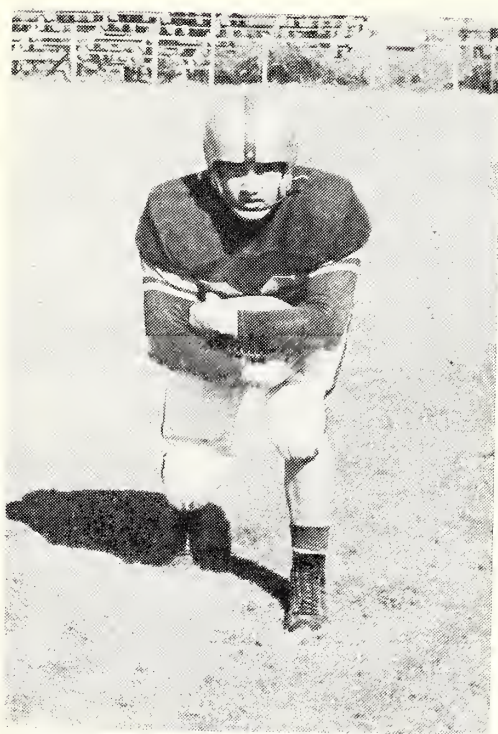

JOE THAGGARD—155 pound end, has been one of the best pass receivers on the squad this year. He has done exceptionally well for his first year out. He will return next year.

ELMER SCHIWART

JACKIE PHIPPS

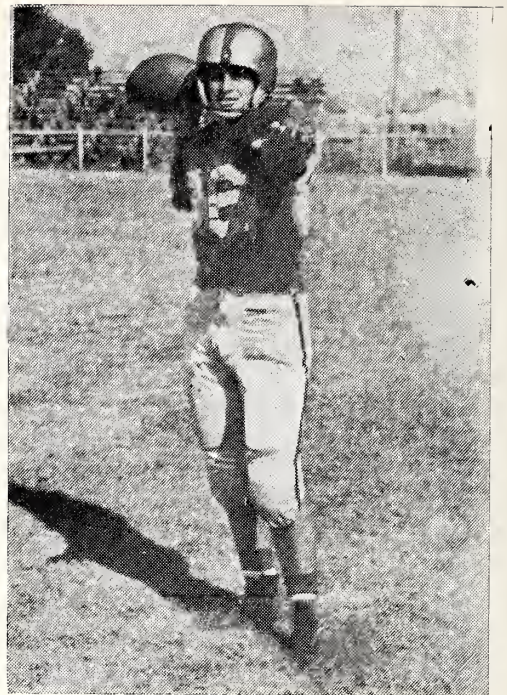

POD PRICE

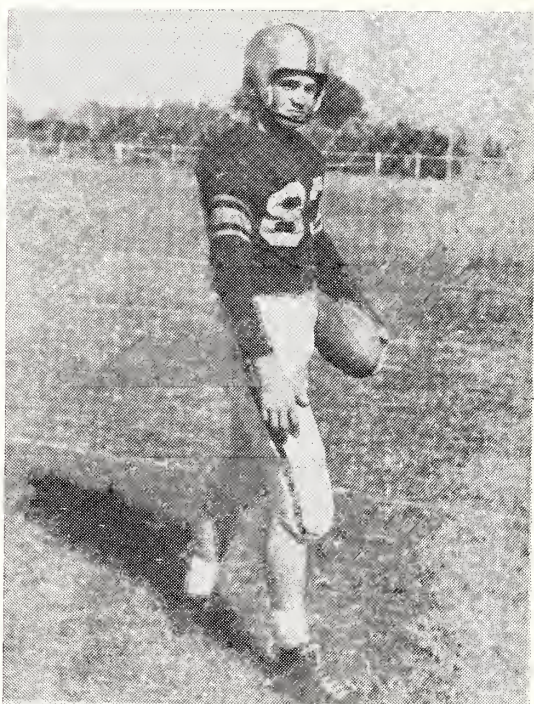

Glenn Henry Price, better known as "Pod" was the only returning letterman from the '47 squad. This 175 pound full-back has been playing football ever since he entered high school. He has proven to be a consistent ground gainer and a hard runner. This is Pod's last year to play.

Jackie

Well here is the last
day of last year in high
school and I believe we started
together in the first grade
I'll guess I'll be an old
married woman before too
long along with you. I
wonder if ten years
from now you will
be my next door
neighbor. Ha! Well
I want to be one of it.
I want that wishes you
lots of luck and happiness
and success. Be good
And I'll see you
around.

Melissa Jane

Dear Jackie

I don't it been plan
since we got every thing
straighten up. You a swell
gal always stay that way
and I know every thing good
will come your way.

Best to you

Joe Brown & Betty

4/5

Jackie,
Well the time has come for
you to depart from E.H.S. We are
going to miss you and your
friendly ways but time does
march on, doesn't it? Remember
the night you stood me up
but that life isn't it? I'd still like
to get that date sometime — do you
think it could be arranged? ~~Well~~
I must go on but anyway I wish
you with lots of others the best
life has in store.

Always (a friend)
Keith Lirdwell
Jr. 1948-49
